Get set for the fourth annual PoCo Grand Prix!

Dominion Lending Centres is pleased to be the title sponsor for the fourth straight year of such a fantastic event for the city. In just a few short years, the PoCo Grand Prix has grown into a world-class race that draws thousands of people and the best riders from around the globe to the streets of Port Coquitlam.

It's been a pleasure to watch this great race grow each year. I can't think of a better event to showcase our community spirit and everything we have to offer in the place we call home. Cycling remains an important part of an active lifestyle and a life-long means to have fun and get around. It's remarkable to think of how many young people are inspired by the PoCo Grand Prix to get on their bicycles and dream of where their two wheels can take them.

To the riders, volunteers, fans and City of Port Coquitlam – on your mark, get set, go! – and enjoy watching the race in this great city!
